

Reconnect with your inner energy potential using the Tuning Fork sounds of the ancient Solfeggio frequencies to create balance and harmony in your life. These healing sounds are a way to access all levels of consciousness to free blocked energy, thereby creating openings in which choices are awakened and newfound energy becomes available for personal transformation, health and emotional healing. This energy may be used immediately after training for both personal and client-centered applications. After successful completion of Phase 1 & 2 you will be a **Certified Tuning Fork Practitioner**. For more details inquire within.

Massage, Reiki Masters and Polarity Therapists, Holistic Physicians, Energy Workers and Care Givers are some of the individuals around the world that are using these powerful tuning forks with the SomaEnergetics Energy Vitality Techniques. These protocols can be used to complement all energy & bodywork modalities, such as: Reike, Polarity Therapy, Feng Shui, Quantum Touch Therapy, CCT, EFT, Massage Therapy, Zenith Omega, Hypnotherapy & Reflexology. *Experience the Canadian style of Tuning!*
